

Description

WS Screen Cleaner is an active foam specifically developed for the perfect cleaning of all types of screens. Controlled anti-drip foam + anti-static additive.

Features

- Perfect cleanliness of the screen.
- Contains antistatic additive.
- Removes various types of dirt.
- Controlled foam without sagging.
- Micronised spraying.
- Fast drying with zero residue.
- Easy application.
- Controlled spray pressure without splashing.
- Suitable for all types of screens.
- Its white foam allows an optimal visualisation of the area covered and avoids excess product.
- It leaves no traces.

Applications

- Cleaning and maintenance of all types of screens.

Instructions for use

- Apply to the entire surface and then wipe with a dry microfibre cloth that is compatible with the screen.
- Do not overspray.
- Always use the product with the equipment switched off and allow to evaporate completely.
- Extremely flammable aerosol, do not spray on naked flames or sparks.
